## Summary

Highly skilled and accomplished software developer with over 15 years of expertise in .NET, C#, and ASP.NET. Proficient in all stages of software development, from concept to implementation and maintenance. Adept at leveraging agile methodologies to deliver robust and scalable solutions. Additionally, I have authored several books, showcasing my ability to communicate complex technical concepts effectively. Committed to continuously expanding my skill set and staying up-to-date with emerging technologies. Seeking a challenging role where I can apply my extensive experience and passion for software development to drive innovative solutions and contribute to organizational success.

## Skills

### Application Frameworks and Libraries

Web services  
ASP .NET Web forms  
AspNet Core  
Visual Studio  
ASP. Net MVC  
Prism  
WPF  
WCF  
Web API

### Coding Languages and Protocols

Bootstrap  
C++  
CSS  
HTML  
jQuery  
JavaScript  
C#  
.NET

### Data Engineering

Microsoft SQL Server

### General Skills

Entity Framework

### Tools and Platforms

Git

## PROJECT REFERENCES

# LEAD BACKEND DEVELOPER

Software Engineer | Software Developer | Full Stack Developer | Solution Architect | Enterprise Architect |

**08/2021 - Today**

Carta Worldwide Maroc

**Product Team Manager/Team Leader/ Architect**

Led software development and migration projects, leveraging expertise in .NET, C#, and ASP.NET.
